MARCH 2009 NEWSLETTER

NEW WELLSVILLE CITY WEBSITE

The Mayor and City Council are pleased to announce a new city website that is currently up and running. The website contains a wide range of information including meeting agendas, public hearing announcements, city codes, recent minutes of City Council and Planning Commission meetings, sports sign-up information, upcoming community events, and much, much more. Also, many of the forms needed for city transactions are available to download. There are some areas on the site that are not 100% complete yet and additional content will be added soon. We encourage you to take a few minutes to look over the web site at www.wellsvillecity.com. A huge "Thank You!" goes to Councilman Ron Case for the many hours he has spent creating the web site.

DROP SLOT

For your convenience, there is an after-hours payment drop slot near the front door of the city office. It can be used to drop off utility payments, court fine payments, or other city transactions. For your own protection please do not put cash in the drop slot- checks or money orders only.

GARBAGE RECYCLING SCHEDULE CORRECTION

We were recently notified by the County Solid Waste Department that residents living on the east side of Highway 89 are on a different recycling pick-up schedule (the blue can) than the rest of the Wellsville area. Those who live east of Highway 89 are on the **WEEK 2 SCHEDULE** for pick-up of the blue recycling can, which is just opposite of the rest of the community. If you would like a copy of the pick-up schedule, you can print off one at environmental.loganutah.org or contact the city office and we will mail one to you.
