

Junior Mustang Volleyball 2011

Welcome! This is our 3rd season of Junior Mustang Volleyball and we are very excited to offer this league to the community. Practices will take place Wednesday nights with matches on Saturdays through August and September. Each practice night will focus on a skill taught by the Mountain Crest players and coaches with the remainder of the time being used for team practices.

This year we are only offering the league to girls in grades 6-8. The cost is \$40. We would like to encourage all girls interested in volleyball, regardless of experience, to give this sport a try.

Registration will be handled by the school bookkeeper at Mountain Crest. You can drop off your registration form any time through the summer in the main office. Registration will end on August 19. However, the bookkeeper will not be at the school from August 8-12 so you will need to take your registration to Lori in the Blue Gym but she will only be there until noon. If you do drop your registration off any other time during that week, please give it to Debbie Hansen. Teams will be formed and a practice/ game schedule will be emailed to you. Please include a valid email address that you check regularly.

Registration deadline is August 19 - No Exceptions

Team Rosters and Schedules will be emailed to all participants

Schedule (all events will take place at Mountain Crest)
