Dear Wellsville Citizens,

I would like to thank the citizens of Wellsville for the opportunity to have served as your City Council Representative.

I am proud of my Wellsville heritage that dates back to Zial Riggs one of the founding fathers of Wellsville. My family has had a long history of serving the community. I am proud that I have been able to carry on this tradition by serving the citizens of Wellsville.

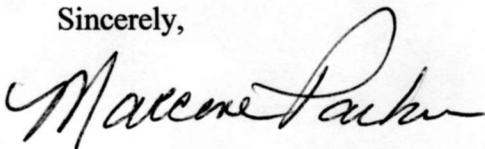

Over the past 14 years I have enjoyed my association with the council members, board members, volunteers and the employee's of the city. Great friendships have been made.

It has been a humbling and gratifying experience to participate in the following accomplishments:

- Purchase of Squad for emergency calls
- Purchase of Extrication Equipment
- Purchase of Fire Truck
- Upgrades on ball diamonds
- Renovation of Wellsville Reservoir
- 2 sets of Playground equipment
- Update of Sewer lagoons
- Updating roads
- Paved roads in cemetery

I have seen how this community has come together and why people choose to live here. It takes everyone in a City to make a City work. I love Wellsville and I am grateful for the honor and privilege that I have had.

Sincerely,

Marcene Parker
