NOVEMBER 2010 NEWSLETTER

VETERAN'S DAY PROGRAM

On Thursday, November 11 at 10:30 a.m. the students and staff of the Wellsville Elementary School will honor the veterans of our community with a patriotic musical program which will be held in the gym at the school (90 East 100 South). All veterans are invited to join us and are welcome to wear their uniforms.

WINTER PARKING

It's that time of the year where NO PARKING is allowed on any city street between the hours of midnight and 8:00 a.m. All vehicles, boats, campers, trailers, construction equipment, etc. must be removed off the city right-of ways. Citations will be issued for those not in compliance. The winter parking takes effect from November 1, 2010 thru April 30, 2011.

WINDOWS OF WELLSVILLE BOOKS

LOOKING FOR A GREAT CHRISTMAS PRESENT? How about a *Windows of Wellsville* Book? This book contains information about Wellsville's History from the years 1856-1984. We anticipate the books would cost \$60-65 each. We would need orders for at least 200 books before it would be feasible to do a reprint. Please contact the City Office by **November 30, 2010** to add your name to the order list.

ELECTION INFORMATION

Don't forget to vote on **Tuesday, November 2, 2010.**

Wellsville 4th & 6th Ward Church
49 West 200 South

Voting opens from 7:00 a.m. to 8:00 p.m.

To obtain a ballot for voting-

- 1) Give name and address to election judge. **You will also be required to show government issued picture ID.**
- 2) If your name is on the official register and your right to vote has not been challenged, the election judge will give you one ballot. NOTE-If an election judge has a reason to doubt your identity, the judge is required to request ID for you that establishes your identity and residence.
- 3) You will be using an electronic voting machine.

WATER POLLUTION PREVENTION

- *Dispose of household hazardous waste properly*
Never dump household hazardous waste such as pesticides, fertilizers, paint or solvents into a storm drain, open waterway or ditch. Storm drains discharge directly into canals and then streams without the benefit of treatment, unlike the drains inside homes and businesses that connect to the sanitary sewer system. Beyond posing a threat to our health and environment, such dumping is illegal.

- *If your home has a drainage ditch or swale, do not fill it in.*
- *Dispose of yard waste properly*
Leaves swept to the curb will not be collected and can clog storm drains. Dumping yard waste into storm drains or waterways is harmful to the rivers and is illegal.

- *Please don't litter!*
Trash left along our roadways, ditches, and stream banks washes into our waterways through rain and melting snow. Not only is littering illegal, it is an eyesore which can endanger wildlife and can allow stagnant water to breed mosquitoes. Debris can also block drain inlets, preventing efficient drainage.

- *Maintaining cars and driveways*
◦ Maintain vehicles to prevent leaking fluids from washing into stormwater.

- Absorb leaks on the driveway with sand or cat litter, then sweep and place in the trash.

- Wash cars at a commercial car wash, or over gravel, if possible to avoid the soapy runoff from entering the storm drains. Car wash business are required to dispose of the water through the sanitary sewer system, where it will be treated.

- Sweep debris from sidewalks and driveways instead of washing it away with water.

REMEMBER....WE ALL LIVE DOWNSTREAM
