

# WELLSVILLE CITY

## NEWSLETTER

www.wellsvillecity.com

### FEBRUARY 2011

#### **SOCCER SIGN-UPS**

Soccer sign-ups will take place on the following dates:

**Wednesday, February 2<sup>nd</sup> from 6:00 p.m. to 9:00 p.m.**

**Saturday, February 5<sup>th</sup>, from 9:00 a.m. to 12:00 p.m.**

All sign-ups will be held in the Wellsville City building located at 79 East Main. To speed registration, registration forms can be downloaded at [www.southcachesoccer.com](http://www.southcachesoccer.com) under the "Forms" link. **ONLINE REGISTRATION IS NOT AVAILABLE.** If there are any questions contact Wendy Egbert at 245-2889. A late fee will be assessed if you sign-up after February 5<sup>th</sup>, 2011.

Volunteers are needed for coaching, and we also need teenagers who are interested in being paid as referees. If you are interested please contact Wendy.

#### **KINDERGARTEN REGISTRATION**

Wellsville Elementary Kindergarten registration will be held on Thursday, February 3<sup>rd</sup> from 8:00 a.m.-3:00 p.m. and Friday, February 4<sup>th</sup> from 8:00 a.m.-2:00 p.m. in the school office. Registration packets will need to be picked up, filled out, and returned with proof of required shots by February 24<sup>th</sup>, 2011.

#### **DELINQUENT IRRIGATION WATER**

Any irrigation water user who is delinquent more than one year, will no longer receive a irrigation schedule until the past due amount is paid in full. If you think you might be past due please contact the city offices and ask for Laurie.

Those irrigation water users who are several years past due will no longer have the rights to their irrigation water. This irrigation water will be taken over by the irrigation company. It is the responsibility of anyone selling their home to make sure the irrigation water is transferred to the new owner.

Water transfer forms are available at the Wellsville City Office.

#### **WINDOWS OF WELLSVILLE BOOKS**

We are still trying to get enough orders to do a reprint of the Windows of Wellsville Books. This book contains information about Wellsville's History from the years 1856-1984. We anticipate the books would cost \$60-65 each. Please contact the City Office by March 1, 2011 to place your order. We need to order at least 200 books and right now we only have orders for 65. Please place your order!

#### **BASEBALL/SOFTBALL REGISTRATION**

Sign-ups for baseball, softball, and T-ball will be held in March. Please check next month's newsletter or the city website for additional information.

#### **RABIES CLINIC**

**SATURDAY, FEBRUARY 26, 2011**

**79 EAST MAIN**

**FROM 10:00 A.M. TO 12:00 P.M.**

The city will be holding a rabies clinic next door to the City Office at 79 East Main. The rabies vaccination will cost \$15. One check may be issued for both the rabies shot and the dog license. Please make check payable to "Wellsville City Corporation."

#### **2011 DOG LICENSING**

It's time to purchase dog tags for 2011. All dogs are required to be license, whether they are indoor or outdoor pets. License fees are \$5.00 for dogs that are spayed/neutered, or \$10.00 for dogs that are unaltered. (You must provide a spaying/neutering certificate to purchase the \$5.00 license.) All dog owners must provide proof of a current rabies vaccination for each dog. After March 31<sup>st</sup>, 2011 the fees for the dog tags will triple, so don't procrastinate. If you have three or more dogs, contact the City Officer for approval of a kennel license.

#### **WELLSVILLE CITY PRINCESS INFORMATION**

All interested young women between the ages of 12-17 are invited to serve their community as a Wellsville City Princess. The city will furnish a parade gown and require applicants to be available to ride the city's float in approximately 12 community parades during the summer months. Attendance at the Founder's Day Sunday evening program is also required. For more information please contact Leesa Cooper at 245-3686 by March 31, 2011. Applications are available at the city office.

#### **WHAT IS STORM WATER RUNOFF?**

Storm water runoff is the rain or snowmelt that runs off streets, rooftops, parking lots, lawns and other land surfaces. As communities develop, more impervious surfaces are created and less rainfall can soak into the ground. This increases flooding and stream bank erosion. Storm water also picks up pollutants as it flows across land surfaces. Pollutants include: Sediment from bare areas like construction sites ■ Pesticides and fertilizers from lawns, parks, and roadsides ■ Salt used on roads and driveways ■ Bacteria and disease causing organisms from pet waste and failing septic systems ■ Oil and grease from car leaks, gas stations and industrial areas ■ Toxic chemicals from leaks, spills and auto wear and exhaust.

**ADMINISTRATION**  
Mayor Bailey 245-3925

**COUNCIL MEMBERS**  
Gary Bates 245-4795  
Ron Case 245-4021  
Colin Harrison 245-5227
