WELLSVILLE CITY

NEWSLETTER

www.wellsvillecity.com

FEBRUARY 2012

City Council 1st & 3rd Wednesday at 6:00 p.m.

Planning Commission

2nd & 4th Wednesday at 6:00 p.m.

SPECIAL THANKS

The Mayor and City Council wish to express thanks to all those who were involved in helping with the recent flooding. Countless hours of service were given to those who were affected by the flood waters. We sincerely appreciate all the effort exhibited. THANK YOU!!

RABIES CLINIC

SATURDAY, FEBRUARY 25, 2012

79 EAST MAIN

FROM 10:00 A.M. TO 12:00 P.M.

The city will be holding a rabies clinic next door to the City Office at 79 East Main. The rabies vaccination will cost \$15.00. One check may be issued for both the rabies shot and the dog license. Please make check payable to "Wellsville City Corporation."

2012 DOG LICENSING

It's time to purchase dog tags for 2012. All dogs are required to be licensed, whether they are indoor or outdoor pets. License fees are \$5.00 for dogs that are spayed/neutered, or \$10.00 for dogs that are unaltered. (You must provide a spaying/neutering certificate to purchase the \$5.00 license.) All dog owners must provide proof of a current rabies vaccination for each dog. After March 31st, 2012 the fees for the dog tags will triple, so don't procrastinate. If you have three or more dogs, contact the City Office for approval of a kennel license. You may also renew by mail, see additional information included on reverse.

WELLSVILLE CITY PRINCESS INFORMATION

All interested young women between the ages of 12-17 are invited to serve their community as a Wellsville City Princess. Applicants must be available to ride the city's float in approximately 12 community parades during the summer months. Attendance at the Founder's Day Sunday evening program is also required. For more information please contact Leesa Cooper at 245-3686 by March 31, 2012. Applications are available at the city office.

STORMWATER

As snow piles up in the winter, we often turn to salt to melt snow and ice. Excess salt can seep into groundwater and stormwater runoff. Effective ice control can help prevent excess salt runoff to our waterways. There are many alternatives to salt, including potassium chloride, calcium chloride and magnesium acetate. Most can be found in hardware stores under various trade names, so check the label for chemical content. While these alternatives can be spread in a dry form or sprayed as a liquid, their best use occurs when they are used with salt. They tend to increase the efficiency of salt thereby reducing the amount that needs to be applied.

BASEBALL/SOFTBALL REGISTRATION

Sign-ups for baseball, softball, and T-ball will be held in March. Please check next month's newsletter or the city website for additional information.

COMMUNITY EMERGENCY RESPONSE TEAM

Wellsville City is joining with the Cache County Sheriff's Office and the Cache County Response Team (CERT) Council to offer an 8-week course for people interested in learning how to take care of themselves, their families, and their communities in an emergency.

There is no fee for the course, however training material and supplies (manual, ID Card, instruction material, and basic CERT kit) will cost approximately \$50.00. Wellsville City will reimburse city residents who successfully complete this course (requires attending all 8 classes and the simulated emergency). For more information, contact City Council member Ron Case at 245-4021. Pre-registration is required. Class size is limited.

Dates: Thursdays beginning March 8, 2012 and ending May 3, 2012 (no class will be held during week of Spring Break)

Time: 6:30 p.m. (each class lasts for approximately 2-1/2 hours)

Location: Cache County Sheriff's Office, 3rd Floor 1225 West Valley View Highway, Logan

Ages: 18 years and older.

Course Schedule: Disaster Preparedness, Medical 1, Medical 2, Fire Safety and Suppression, SEARCH and Rescue, Disaster Psychology, CERT Organization & Terrorism, Review

In addition to the weekly training, the course ends with a simulated emergency held at the Logan City Fire Department Training Tower. This will give participants an opportunity to put their training to use. This date for the simulated emergency will be announced later but will be some time in May.

Everyone in the community would benefit in receiving this training. CERT Training provides important information and skills for people of all ages and physical capabilities. The Mayor and City Council encourages you to give serious consideration in attending these valuable classes.

HYRUM LIBRARY INFORMATION

The library will be closed on February 20th in observance of President's Day. U.S.U. storytimes will be held each second Saturday of the month at 1:30 p.m. Everyone is invited to attend for stories and crafts. February 10th from 10:00 a.m. to 7:00 p.m. and February 11th from 10:00 a.m. to 3:00 p.m. will be our annual bake and book sale. We have two quilts to raffle off as well as many books, videos, DVDs, cassettes and more. There will be lots of goodies to buy also. You may call the library at 245-6411 if you would like to donate to the bake sale or to help.
