CLEAR THE PATH!

Just a reminder to our residents to keep the sidewalks bordering their homes and property free of debris, bikes, landscaping, or parked vehicles. If you have bushes, shrubs, or other landscaping that overhang or lay across the sidewalk, please trim them back. Please don't leave shovels, piles of dirt, rocks, or other construction materials piled on the sidewalks. We wish to thank all of those residents who work hard to keep their yards and property neatly maintained and weed free.

WELLSVILLE BUSINESS SURVEY

Hello to all of the great citizens of Wellsville!

As members of the Wellsville City Council, we would like your input on what businesses you would like to come to Wellsville. We would also like your input on how often you would visit these businesses, such as: daily, once a week, or once a month. We are also interested in knowing what types of business you feel would be appropriate for Main Street and if you think Main Street should be revitalized.

Also, some of the property bordering Highway 89-91 within Wellsville's City limits is zoned Commercial. What kinds of businesses would you like to see and be willing to patronize in that area?

Please complete the form below and include any comments you feel would be helpful. We ask that these forms be returned to the City Office by August 20th; it can be included with your utility payment or dropped by the office. Thank you for your feedback, it is very much appreciated.
