## SEPTEMBER 2025

### MAYORAL CANDIDATE ELECTION

Wellsville currently has two candidates for Mayor.

On **TUESDAY, November 4, 2025**, your vote will determine the next Mayor of Wellsville! The candidate profiles are available online and we encourage you to get to know each candidate. You should receive your ballot in the mail. All ballots must be returned by

November 4<sup>th</sup> or deposited in the ballot drop box located on the west side of the city office by 8 p.m.

### WATER CONSERVATION AT HOME

Wellsville City Utilities is asking all its customers who use culinary water to water their lawns to do so on designated days of the week based on your house number. It's simple to do. Check your house number, even or odd?

**EVEN HOUSE NUMBERS====> MONDAY, WEDNESDAY, FRIDAY**

If your house number ends in an even number, such as 532, 1298, 164, etc. water only on Monday, Wednesday, or Friday.

**ODD HOUSE NUMBERS====> TUESDAY, THURSDAY, SATURDAY**

If your house number ends in an odd number, such as 127, 573, 1587, water only on Tuesday, Thursday, or Saturday.

**WHAT ABOUT SUNDAY?** We all take a break by not watering on Sunday, but our yards will still receive enough water to keep them healthy and attractive. Typically, even in dry and hot conditions, it is not necessary to water every day. *Thank you for your cooperation in helping to conserve our water.*

### NATIONAL DAY OF SERVICE: SEPTEMBER 13, 2024

If you would like to participate, check out the website [www.JustServe.org](http://www.JustServe.org). There, you will be able to find several opportunities in Wellsville to choose from.

There are plenty of projects for families and individuals, with a variety of skill levels. Come join your friends and neighbors in serving our beautiful community.

### SPLASH PAD HOURS

THE SPLASH PAD WILL BE **TURNED OFF** FOR THE YEAR ON FRIDAY, SEPTEMBER 5<sup>TH</sup>.

**PLEASE PAY YOUR IRRIGATION BILL BY OCTOBER 1<sup>ST</sup> TO AVOID A LATE FEE. DO NOT COMBINE THE IRRIGATION PAYMENT WITH YOUR WELLSVILLE CITY UTILITY BILL. THANK YOU!**

### SEWER LINE CLEAN-OUT & VIDEOING

Sewer line clean-out and videoing will take place from September 15<sup>th</sup> through November 1<sup>st</sup>. This will affect all sewer lines located North of 900 South to Main Street. The city will send a text notification reminder for all the affected areas prior to beginning. (Make sure you are signed up to receive city alerts by text by texting WELLSVILLE1 TO 91896. Reply YES to verify opt-in.) At times the pressure created while cleaning the lines can cause water in toilet bowls to gurgle and splash. To avoid this back splash, please put an old towel over the toilet, and **KEEP THE LID ON YOUR TOILET CLOSED**. Thank you for your cooperation with this matter.

## **FOUNDER'S DAY APPRECIATION**

*WE WANT TO RECOGNIZE THOSE CITIZENS INVOLVED WITH MAKING OUR FOUNDER'S DAY WEEKEND SUCH A GREAT SUCCESS! WITHOUT THE MANY VOLUNTEERS AND CITIZEN PARTICIPATION, WE WOULD NOT BE ABLE TO HAVE OUR FOUNDER'S DAY CELEBRATION. THANK YOU FOR YOUR HELP AND SUPPORT OF SUCH A GREAT COMMUNITY EVENT!*

***BIG THANKS** TO ALL THOSE WHO DONATED THIS YEAR TO MAKE THE FIREWORKS DISPLAY POSSIBLE. PLEASE SHOW YOUR APPRECIATION BY SUPPORTING THESE **Local BUSINESSES & CITIZENS!***

### FIRE DEPARTMENT & EMS

Special Thanks to our amazing Fire & EMS Department for the fun public interaction activity on Saturday night before the fireworks! It was a great opportunity to touch-the-truck, see our local Life Flight Helicopter, and even try on those firemen suits! We are so grateful for the many selfless hours they serve our community and keep us safe!

### **GREEN WASTE REMINDER:**

**As fall is quickly approaching, keep in mind that Waste Management will NOT empty Green Waste cans after October 31<sup>st</sup>.**

### HELP PROTECT OUR DRINKING WATER

#### **Did You Know?**

- Storm drains are not part of the sanitary sewer system.
- Storm Water often goes untreated, directly into our rivers and lakes.
- Storm drains and drainage swales are constructed to prevent flooding by diverting rainwater off streets into local waters.
- Improperly used or disposed chemicals can mix with the storm water and contaminate local rivers and lakes.
- These chemicals can end up in the aquifer, the source of our drinking water!

#### **Good Housekeeping Rules:**

- Use pesticides and all household chemicals only when absolutely needed.
- Dispose of all chemicals and oils properly. Most automotive part stores have FREE used oil recycling. Logan City Landfill takes Household Hazardous Waste I.E. paint, cleaning solutions, solvents, for FREE.
- When raking leaves and mowing lawns, avoid placing any debris in the gutter, swales or on grates. This will prevent the clogging of the storm water system and possibly flooding on your property. It will also prevent these items from reaching natural water bodies, which may cause further pollution.

Wellsville City would like to thank the following sponsors  
for helping make our 2025 Fireworks Show possible!

**THANK YOU! THANK YOU! THANK YOU!**
