## FEBRUARY 2026

**UTILITY BILLING UPDATES**

As you will notice, your utility bill for January reflects the water rate increase (Code Amendment 2024-02). This increase was approved after the public hearings held on June 5, July 3, and July 17, 2024 where the need for a new culinary well was discussed. Wellsville City conducted a Water Rate Study in May 2024 and it was determined that the current rates were inadequate to cover the costs of drilling a new well. Due to these capital needs, a 5-year water rate increase structure was adopted to cover these expenses. The water rate increases will be as follows:

<u>2025</u>	<u>2026</u>	<u>2027</u>	<u>2028</u>	<u>2029</u>
\$41.80	<b>\$46.00</b>	\$50.10	\$54.60	\$59.50

This new well, located near 900 South 200 West, was drilled to a depth of 800' and is currently flow testing at 1200 gal/min. This new well will ensure adequate water supply for all Wellsville residents, in addition to correcting serious water pressure issues on the south end of Wellsville. A pump house and other infrastructure upgrades are yet to be completed but are also a part of this project. Copies of the Water Rate Study are available at the city office for review.

In addition, Waste Management Services have increased their billing fees for garbage collection as well. The 2026 fee schedule will appear on your current billing statement.

**Please note: If you have your utility payment set up on autopay or through your bank, you will need to adjust your payment to reflect the correct payment amount.**

**WINTER PARKING**

Even without snow, PARKING WITHIN 10 FEET OF THE EDGE OF THE ROAD IS PROHIBITED ON ANY CITY STREET BETWEEN THE HOURS OF MIDNIGHT AND 8:00 A.M. All vehicles, boats, campers, trailers, construction equipment, etc. must be removed from the city right-of-ways. Citations will be issued for those who are not in compliance. This winter parking regulation takes effect from NOVEMBER 1, 2025 TO APRIL 30, 2026.

**DOG LICENSING**

ALL DOGS that reside in Wellsville City limits are REQUIRED to be licensed. Licensing can be taken care of by mail or at the city office (Court Window). To license your dog, you must provide proof of current rabies shot and proof of neutering/spaying if that applies to your dog. Payment can only be accepted by Check or Cash.
