MEMORIAL DAY PROGRAM

A special Memorial Day Veteran’s program will be held at the Veteran’s Monument located in the Wellsville Cemetery on **Monday, May 25th at 10:00 a.m.** The program will include a gun salute, playing of “Taps” and a flag ceremony presented by the Marine Corps League. The program will also include singing of the national anthem, musical numbers and a special speaker. There will also be a reading of the names of all Veterans buried in the Wellsville City Cemetery. Please join us in honoring those who have served our country. A limited amount of seating will be available; you may want to bring a lawn chair. All Veterans are invited to participate in the group photo that will be taken following the program.

VETERANS RECOGNITION

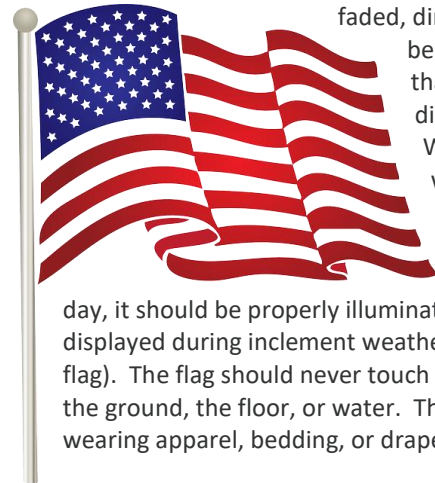

Please join the Wellsville City Historical Committee for a special Memorial Day event to be held on **Saturday May 9th at 5:00 p.m.** The Historical Committee will honor some of our deceased hometown Veterans with patriotic banners to be displayed on Main Street during the 2026 summer months. Please come and support this event. For more information, please contact Heather Rowser at (435) 232-2246.

MEMORIAL DAY FLAG PLACING

As part of the Wellsville City Memorial Day celebration, we will be placing flags on the graves of all the Veterans buried in the Wellsville City Cemetery. This event will take place on **Saturday, May 23rd at 9:00 a.m.** Come and show your respect and honor those who have sacrificed and served our country by helping place flags on each of our hometown Veteran’s grave sites. Flags will need to be gathered on **Saturday May 30th at 9:00 a.m.** If you have any questions, please contact the city office.

FLAG ETIQUETTE

Are you flying an American Flag from your home? If so, keep in mind that Memorial Day and Flag Day are coming right up and now is a good time to check the condition of your flag. Any flag that is faded, dirty, tattered or worn should be retired. An American flag that is no longer suitable for display can be received at the Wellsville City Office. We will make sure that the flag is retired in the proper way. If the American flag is displayed 24 hours a

day, it should be properly illuminated and should not be displayed during inclement weather (unless it is an all-weather flag). The flag should never touch anything beneath it, such as the ground, the floor, or water. The flag should not be used as wearing apparel, bedding, or drapery. (4 USC Ch.1: THE FLAG)

MEMORIAL DAY FLOWERS AND DECORATIONS MUST BE REMOVED FROM THE CEMETERY BY MONDAY, JUNE 1ST AT 7:00 A.M. PLEASE DO NOT LEAVE ANYTHING ON OR AROUND HEADSTONES. EVERYTHING LEFT IN THE CEMETERY WILL BE DISPOSED OF. THIS INCLUDES FLOWERS, STATUES, MEMENTOS, HOOKS, SOLAR LIGHTS, ETC.

GARBAGE COLLECTION ON WELLSVILLE MILE DAY

As in the past, the Wellsville Mile will be held around the block where the new pickleball courts are located. Wellsville Elementary is asking the residents who live along these streets (1st East, 1st South, 2nd South and Center) to have all garbage cans to the curb prior to 7:00 a.m. the morning of **Tuesday, May 19th**. Thank you for your cooperation with this matter.

WELLSVILLE SCOUT TROOP 21

Our Wellsville Scout Troop 21 continues to grow and needs your help. The scouts need tents, cooking equipment, scout shirts and camping equipment. If you have any items you’d like to donate, please drop them off with Scoutmaster Lee Poor @ 180 South Center St. in Wellsville, or contact Lee @ 309-838-8116.

STORMWATER TIPS

Did you know? Storm drains are not part of the sanitary system. Stormwater often goes untreated, directly into our rivers and lakes. Storm drains and drainage swales are constructed to prevent flooding by diverting rainwater off streets into local waters. Improperly used or disposed chemicals can mix with the storm water and contaminate local rivers and lakes. These chemicals can end up in the aquifer, the source of our drinking water!

YOUTH COUNCIL

We’re excited to invite youth in our community to be part of the City Youth Council! This is a great opportunity to share your ideas, build leadership skills, and help make a difference in our city. If you’re interested in having a voice, planning events, and working with other motivated youth, we’d love to have you join us. Come be a part shaping the future of our community! Reach out to Serra White at 435-881-7717 for more details.

OPEN BURN PERMITS THRU MAY 31

All open burns require a burn permit that can easily be obtained prior to burning on the Cache County website at <https://www.cachecounty.gov/fire/getburnpermit.html>. For any agricultural burns, please notify our local Fire Chief Mason McBride (435)757-7490 or for outside city limits please call Cache County Fire Warden Dallin Bodrero (435)535-6434 prior to burning. All burns require a clearing index above 500 ft., this is so the smoke rises up and out.
