ILLEGAL STORM WATER PUMPING

FALL STORMWATER POLLUTION PREVENTION TIPS

Raking leaves into a stormwater inlet creates more pollution of local streams and waterways. Not only do leaves contribute to stream pollution, but they can also cause localized flooding if they clog storm drains and pipes. Help protect our nearby waterways from excess nutrients and never rake leaves into a storm drain.

REMEMBER & HONOR OUR WELLSVILLE VETERANS

We have the opportunity to honor our deceased veterans again this year. There are 395 veterans buried in the Wellsville cemetery and we would like to see a wreath placed on each of their graves this Christmas Season. December 19th is National Wreaths Across America Day. **Please consider sponsoring a wreath for $17 or volunteering to help place wreaths**. Individuals and families are encouraged to attend and help with the placement of these wreaths. There are two ways to make your donation. 1) Take a check, payable to Wellsville City to the Wellsville City offices (or the night drop box). Be sure to indicate on your check that it is for the Veteran's Wreath Program. Or 2) Log on to www.wreathsacrossamerica.org/UTWELL and follow the easy instructions. Thank you for supporting our veterans, and special thanks to **Sharp Transportation** and the **Wellsville City Historical Committee** for sponsoring this event again this year. Let's show our veterans Wellsville loves them!
