Chili cookoff contest begins at 6 p.m.

FALL STORMWATER POLLUTION PREVENTION TIPS

Raking leaves into a stormwater inlet creates more pollution of local streams and waterways. Not only do leaves contribute to stream pollution, but they can also cause localized flooding if they clog storm drains and pipes. Help protect our nearby waterways from excess nutrients and never rake leaves into a storm drain. Grass clippings and fallen leaves are truly a valuable resource and good for your landscape. Grass clippings left on the lawn can provide up to 25% of your lawn's total fertilizer needs and leaves contain 50-80% of the nutrients a plant extracts from the soil and air during this season. To keep these nutrients where they can nourish your lawn, mulch your grass clippings and leaves and keep them on your lawn, or compost them.

GREEN WASTE REMINDER

As fall is quickly approaching, keep in mind that Waste Management will NOT empty Green Waste cans after Tuesday October 27th.

WESTERN CACHE CORRIDOR SURVEY

The Utah Department of Transportation (UDOT), Cache County, and the Cache Metropolitan Planning Organization (CMPO) are partnering to conduct the Western Cache Corridor Planning and Environmental Linkages (PEL) Study. This proactive planning effort will help Cache County and UDOT identify future transportation needs on the west side of the county. By planning ahead, the study provides an opportunity to evaluate transportation options, coordinate with local communities and agencies, and preserve future opportunities before growth and development limit choices.

LAST CHANCE

REMEMBER & HONOR OUR WELLSVILLE VETERANS

We have the opportunity to honor our deceased veterans again this year. There are 395 veterans buried in the Wellsville cemetery and we would like to see a wreath placed on each of their graves this Christmas Season. December 19th is National Wreaths Across America Day. **Please consider sponsoring a wreath for \$17 or volunteering to help place wreaths.** Individuals and families are encouraged to attend and help with the placement of these wreaths. There are two ways to make your donation. 1) Take a check, payable to Wellsville City to the Wellsville City offices (or the night drop box). Be sure to indicate on your check that it is for the Veteran's Wreath Program. Or 2) Log on to www.wreathsasscrossamerica.org/UTWELL and follow the easy instructions. Thank you for supporting our veterans, and special thanks to **Sharp Transportation** and the **Wellsville City Historical Committee** for sponsoring this event again this year. Let's show our veterans that Wellsville loves them!

THE WELLSVILLE CITY OFFICE AND COURT WILL BE CLOSED ON MONDAY, OCTOBER 12TH IN OBSERVANCE OF COLUMBUS DAY AND INDIGENOUS PEOPLES DAY
